Invitation

We have come a long way - especially in our focus on the surgical aspect of sleep apnea since the establishment of our society, The IASSA, in 2012.

Continuing in this ever evolving educating process, the 5th Annual conference of the Indian Association of Surgeons for Sleep Apnea is designed not just for the **E.N.T. surgeons**, but also the **Physicians** and **Dental surgeons**, involved in the management of this complex disorder.

The conference is being held at Le Meridien Hotel, situated in the central part of Delhi, a very beautiful and historical city, on 31st of March 2017, 1st of April 2017 and 2nd of April 2017.

The **focus** will be on advances made in this field like the **Hypoglossal Nerve Stimulation, Barbed Wire Pharyngopalatoplasty and Roman Blind Snoreplasty along with Mandible Advancement Devices** and other **Medical Appliances**.

For this we will have with us our very Distinguished International and National Faculty.

Live surgery will be transmitted from Sir Ganga Ram Hospital on the 31st of March 2017 to the venue.

The weather is conducive for participation and information dissemination amongst colleagues and peers with a pleasant stay.

We, the members of the Organizing Committee do extend a very warm invitation to you.

Looking forward to see you.
