Theme :
*Roaring Snore,
Partner's Sore*

March
2nd-4th
2018

FINAL
ANNOUNCEMENT

VENUE : MAHATMA GANDHI MEDICAL COLLEGE & RESEARCH INSTITUTE, PONDICHERRY

Dear friends and colleagues,

Since the inception of IASSA in 2013 in Chennai, the specialty of surgery for Sleep Apnoea has been growing in leaps and bounds in our country. Awareness of the condition and its various management possibilities is increasing not just among the general population, but more importantly, among the medical fraternity, a large proportion of who have been mostly in the dark regarding the role of the Otolaryngologist in this condition. Hence it becomes ever more important that ENT surgeons arm themselves with a comprehensive understanding of the problem and its management, and to take that knowledge into newer and greater paths of illumination.

We, the Organizing Committee of IASSACON 2018, are privileged to invite you all to the 6th Annual National Conference of the Indian Association of Surgeons for Sleep Apnoea which is to be held at Mahatma Gandhi Medical College and Research Institute, Pondicherry on 2nd – 4th March 2018. This conference promises an excellent prospect to rub shoulders with some of the best in the world in Sleep Apnoea surgery, while exploring a broad range of topics regarding the specialty.

The conference is scheduled to run over a period of 3 days, including preconference workshops, live surgical demonstrations and lectures, involving eminent faculty from around the world and within India. The scientific sessions are aimed to benefit both ENT surgeons and doctors from the various other specialities involved in the treatment of Sleep Apnoea.

Pondicherry offers a unique experience with its mix of modern heritage and spiritual culture. With a predominantly historical background, Pondicherry is one of the choicest holiday destinations in South India. We invite you to this beachside haven for some much sought-after peace and a break from the gruelling routine.

Once again, we the members of the Organizing Committee extend a very warm invitation to you and look forward to meet you for a memorable experience.

ORGANIZING PRESIDENT
Prof. Dr. S. Gopalakrishnan
