WELCOME TO THE CALCUTTA SLEEP COURSE 2019

Welcome to the Calcutta Sleep Course 2019!

Warm greetings from the Society for Education and Research on Snoring and Sleep Apnoea.

It gives us great pleasure to officially announce the 'Calcutta Sleep Course' to be held in Kolkata during 30th August to 1st September 2019.

The purpose of the course is to update clinicians on Sleep disorders, one of the most vexing medical disorders worldwide and bridge any lacunae that are there in our knowledge and impart confidence in handling such patients.

There is a rapid progress in sleep medicine worldwide in last few years. The new developments are not confined to a single branch of medical fraternity and sleep medicine is now a completely independent subspecialty globally. To counteract the effects of sleep deprivation, sleep related breathing disorders and for their effective treatment, involvements are required by various specialists of different disciplines.

We now must act together to bring forward 'Sleep Medicine' as a consolidated single branch.

With so many sleep apnoea and sleep related conferences/ workshops that are taking place, how is this course different and what is so special about it? Well, we can assure that this course will focus on Sleep Medicine from different perspectives and in the process will join hands with clinicians from different specialities (ENT, Chest, Neurology, Neuropsychiatry, Dental, Pediatrics, Critical Care & Anesthesiology, Physiology, Bariatric) to form a multi disciplinary consensus. In other words, we are aiming for the foundation of A-Z of sleep disorders.

This absolute academic feast is expecting to see you all 'Sleep Lovers' who will be upholding this branch in future.

Respectfully Yours,

Organizing Committee

Calcutta Sleep Course 2019

Conference Venue: BISWA BANGLA CONVENTION CENTRE

One of the biggest venue in India with a three thousand capacity auditorium along with two smaller convention halls and four banquet spaces. It also has four exhibition venues and multiple pre function areas for networking and gathering. The convention centre is situated close to Rajarhat, Ecopark and Rabindra Tirtha, the main cultural hub in Newtown. It is a symbol of Kolkata's growing urban pride of design development and connectivity and a hallmark in the changing city scheme of Kolkata city.
